

Employment Permit Information for Romanian nationals

Romanian Nationals who do NOT need an Employment Permit

<ul style="list-style-type: none">• A Romanian national who has been resident in the State as the holder of an employment permit, expiring on or after the 31st December 2006, for an uninterrupted period of 12 months or longer.
<ul style="list-style-type: none">• A Romanian national who is the spouse/dependant of an EU national*, other than a Romanian or Bulgarian national.
<ul style="list-style-type: none">• From the 01 January 2010, a Romanian national who is the spouse/dependant* of a Romanian or Bulgarian worker. **
<ul style="list-style-type: none">• A Romanian national resident in the State who is self employed. ***
<ul style="list-style-type: none">• Romanian Student studying in Ireland - A Romanian national who is a student in the State and is enrolled on an academic course of more than one year's duration at a college listed on the Internationalisation Register on the National Qualifications Authority of Ireland Website (www.nqai.ie) is permitted to take up casual employment defined as up to 20 hours part-time work per week and fulltime during normal college vacation periods. The Romanian student should provide evidence to their employer in relation to this i.e. evidence of nationality and letter of confirmation from college. It should be noted that on completion of their course of studies, an employment permit will be required for 12 months.• However, a Romanian national who has graduated from an Irish third level institution, and have obtained a qualification at level 7 or higher (primary degree or above) in the National Framework of Qualifications - http://www.nfq.ie/nfq/en/, and who have worked for 12 months or more post 2007 on the basis of being a student, will not require an Employment Permit after graduation. Prospective employers post-graduation of the Romanian student may require the student to show evidence of their degree and P60s and/or P45s from previous employment to demonstrate that they satisfy the above requirements for exemption from employment permit requirements.
<ul style="list-style-type: none">• A Romanian national who has obtained prior explicit permission from the Department of Justice, Equality and Law Reform to remain resident and employed in the State without an employment permit.

*Please note that both the Romanian national and their spouse must be resident in the State as a family unit.

**This applies to employees and self-employed individuals who have been legally employed in the State for an uninterrupted period of 12 months.

***An employment permit may be required should the self-employed individual wish to commence employment as an employee.
