Conditions and requirements for use of this authorisation

1. Exporters that use the Community General Export Authorisation (EU 001) shall notify the competent authorities of the Member State where they are established of their first use of the Community General Export Authorisation no later than 30 days after the date when the first export took place.

Exporters shall also report in the Single Administrative Document the fact that they are using this authorisation EU 001 by indicating in box 44 the reference X002.

2. The Community General Export Authorisation may not be used if:
 - the exporter has been informed by the competent authorities of the Member State in which he is established that the items in question are or may be intended, in their entirety or in part, for use in connection with the development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons or other nuclear explosive devices or the development, production, maintenance or storage of missiles capable of delivering such weapons, or if the exporter is aware that the items in question are intended for such use;
 - the exporter has been informed by the competent authorities of the Member State in which he is established that the items in question are or may be intended for a military end use as defined in Article 4(2) of this Regulation in a country subject to an arms embargo decided by a common position or joint action adopted by the Council or a decision of the OSCE or an arms embargo imposed by a binding resolution of the Security Council of the United Nations, or if the exporter is aware that the items in question are intended for the above mentioned uses;
 - the relevant items are exported to a customs free zone or free warehouse which is located in a destination covered by this authorisation.
3. Reporting requirements attached to the use of this Community General Export Authorisation and the additional information that the Member State from which the export is made might require on items exported under this authorisation are defined by Member States.

A Member State may require the exporters established in that Member State to register prior to the first use of this Community General Export Authorisation. Registration shall be automatic and acknowledged by the competent authorities to the exporter without delay and in any case within ten working days of receipt.

Where applicable the requirements set out in the first two paragraphs of this point shall be based on those defined for the use of national general export authorisations granted by those Member States which provide for such authorisations.
